

# The Disability and Aging Collaborative &

**CONSORTIUM FOR CITIZENS  
WITH DISABILITIES**

December 10, 2019

The Honorable Mitch McConnell  
Majority Leader  
U.S. Senate  
Washington, DC 20515

The Honorable Charles Schumer  
Minority Leader  
U.S. Senate  
Washington, DC 20515

The Honorable Nancy Pelosi  
Speaker  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Kevin McCarthy  
Minority Leader  
U.S. House of Representatives  
Washington, DC 20515

Dear Leaders McConnell and Schumer and Speaker Pelosi and Leader McCarthy,

The undersigned member organizations of the Consortium for Citizens with Disabilities (CCD), Disability and Aging Collaborative (DAC), and other state and national organizations write to urge you to pass the permanent extension of the Money Follows the Person Program (MFP) and Spousal Impoverishment Protections included in the bi-partisan Prescription Drug Pricing Reduction and Health and Human Services Improvement Act. While we have appreciated the short-term extensions passed this Congress, and the 4 ½ year extension that the House passed in June 2019, permanent reauthorization is necessary to ensure that states continue to participate in the MFP program. Several states have already stopped transitions under MFP or even dropped out of the program entirely while awaiting the assurance of long-term funding.

The MFP program provides enhanced funding to states to help transition individuals who want to move out of institutional care and back to the community. The enhanced funding states receive assists with the costs of transitioning people back to the community, including identifying and coordinating affordable and accessible housing and providing additional services

and supports to make successful transitions. The program has helped over 91,000 people with disabilities and older adults transition back to their communities.

MFP has consistently led to positive outcomes for people with disabilities and older adults and shown cost-savings to states since it began in 2005. The Centers for Medicare & Medicaid Services (CMS) found an average cost savings of \$22,080 in the first year per older adult participant, \$21,396 for people with physical disabilities, and \$48,156 for people with intellectual disabilities.<sup>1</sup>

The program works, and without it, people with disabilities and older adults would be stuck in institutions and other segregated settings. "The most recent empirical analyses suggest that after five years of operating an MFP demonstration, approximately 25 percent of older adult MFP participants and 50 percent of MFP participants with intellectual disabilities in 17 grantee states would not have transitioned if MFP had not been implemented."<sup>2</sup> We need a long-term reauthorization so that states know the funding is sustainable.

Medicaid's "spousal impoverishment protections" make it possible for an individual who needs a nursing home level of care to qualify for Medicaid while allowing their spouse to retain a modest amount of income and resources. Since 1988, federal Medicaid law has required states to apply these protections to spouses of individuals receiving institutional LTSS. This has helped ensure that the spouse who is not receiving LTSS can continue to pay for rent, food, and medication while the other spouse receives their needed care in a facility. Congress extended this protection to eligibility for HCBS in all states beginning in 2014, so that married couples have the same financial protections whether care is provided in a facility or in the community.

This common-sense policy ensures that couples can continue to live together in their homes and communities as they age and families can stay together when caring for loved ones with disabilities and conditions such as dementia, multiple sclerosis, or traumatic brain injury. But it is set to expire at the end of this year.

On behalf of people with disabilities and older adults, we request that Congress pass the permanent re-authorization of both Money Follows the Person and HCBS Spousal Impoverishment Protections. For additional information or questions, feel free to contact CCD LTSS and DAC co-chair Nicole Jorwic: [jorwic@thearc.org](mailto:jorwic@thearc.org).
