

**Person-Centered Care Planning Questionnaire-TBI Waiver Provider
Version**

**Adapted from Tondora J., & Miller, R. (2009) Yale Program for Recover and
Community Health**

Please indicate the degree to which you agree or disagree with the following statements regarding the integration of Person Centered Planning principles into the services your agency provides participants served through the Maryland Traumatic Brain Injury Waiver.

Please circle the answer that best describes your feelings about each of the questions.

1.	We remind participants that they can bring family, friends and other supportive people to their individual plan meetings.	YES	NO	Sometimes	Actions or examples/ comments
2.	Each participant receives a copy of their individual plan.	YES	NO	Sometimes	Actions or examples/ comments
3.	The participant's goals are written in their own words in their individual plan.	YES	NO	Sometimes	Actions or examples/ comments
4.	The participant's strengths and talents are described in the individual plan.	YES	NO	Sometimes	Actions or examples/ comments
5.	The participant's goals for their life are included in their individual plan.	YES	NO	Sometimes	Actions or examples/ comments
6.	I believe our agency encourages full participation of each participant in their	YES	NO	Sometimes	Actions or examples/ comments

	individual plan meetings.				
7.	The steps and actions needed to reach the participant's goals are clearly described in their individual plan.	YES	NO	Sometimes	Actions or examples/ comments
8.	Each participant's goals are written in their own words in their individual plan.	YES	NO	Sometimes	Actions or examples/ comments
9.	Should the participant choose, their spiritual beliefs and cultural views are included in their individual plan	YES	NO	Sometimes	Actions or examples/ comments
10.	Our agency has a process for working with each participant to prepare for their yearly individual plan meeting and to ensure their goals for themselves are represented in the individual plan.	YES	NO	Sometimes	Actions or examples/ comments
